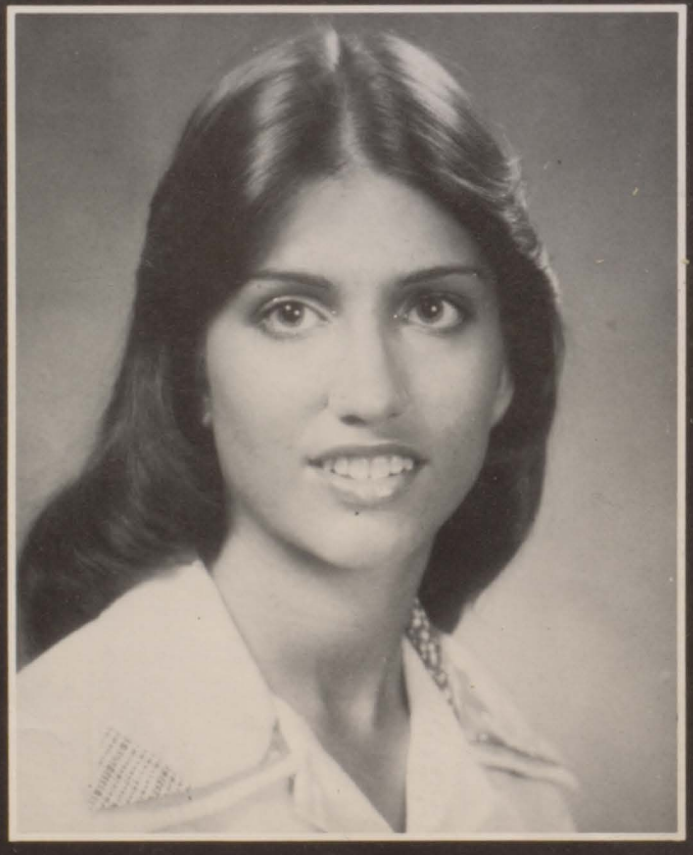
Valedictorian

Lee E. Manfred, having attained a scholastic average of 96.65, is the Valedictorian of the Class of 1978. He is a finalist in the National Merit Scholarship competition and has been awarded a scholarship by the National Merit Corporation, American Bank Note Company, at the University of Notre Dame. To continue with his other accomplishments both academic and extra-curricular, he is a member of National Honor Society and Colgate Seminar. He has been awarded the Daughters of the American Revolution Good Citizen and American History Award and has also received a Regents Scholarship. He has been captain of the tennis team and has been elected to Central Oneida League All Star Teams in both tennis and soccer.

Lee is a very personable young man who has many interests, most outstanding of which is his understanding of and relation to people of all ages. It is no wonder that he has won the admiration of his fellow students and faculty. We feel confident that he will continue to be a success at Notre Dame and in his future endeavors.



Salutatorian

Virginia Iuorno is Salutatorian of the Class of 1978 with an average of 96.62. She is a recipient of a Regents Scholarship, a member of the National Honor Society, a participant in Colgate Seminar, a Syracuse University Scholarship alternate, and a winner of prizes in French from Oswego. Virginia has been an active contributor to the yearbook and the school paper. Wells College granted her an award for excellence in English.

A quiet and unassuming young lady, she has nevertheless proven herself to be mature, self-directed, and highly motivated. She enjoys a high degree of respect and admiration from peers and teachers. We have complete confidence in Virginia's success in her chosen field.

J.V. Hockey

The JV Hockey Team started out the season by winning it's first 4 games. Then with the promotion of two players to varsity, and the injury of another, the team had a mid-season slump losing 5 in a row. The season ended on a better note because of a 1-1 tie with Auburn which saw the team put forth its best effort of the season. Final Record: 4-5-1.

Varsity Field Hockey

The 1977 Varsity Field Hockey team sported a 3-1-4 record in their league and a 4-5-4 overall. Unfortunately, ties plagued this year's team. In spite of their record, the team was able to venture into the sectionals only to knock off 6th ranked Liverpool 3-2 in the first round, and losing to the future sectional titlists, ES-M in the quarter finals 2-0.

The team was led by first year coach Kate Smith and co-captains Lynn Aiello and Sandy Smith. Copping COL All-Star laurels were Lynn Aiello, offensive, and Wendy Williams, defensive. Paula Peknik received Honorable Mention. L. Aiello and P. Peknik were also voted offensive and defensive MVP's respectively. Receiving Most Improved honors were Mary Cerjan — offensive, and Carol Perry — defensive. Despite a few losses and too many ties, the girls had a truly memorable season.

Girl's Tennis

This year the RFA girl's tennis team with Coach Demers faced a lot of hard work. However, they pulled through. The girls ended their season with a 10-2 record and placed 2nd in COL.

Although tennis is usually thought of as an individual sport, the girls' success was a total team effort. In accordance with this team spirit, the MVP Award didn't go to any one individual but was shared by every player.

Heading the team were co-captains Michelle Granieri and Mickey Versace. Teresa Colucci received the Most Improved Player Award. Receiving was senior Tammy Burkhart. Teresa and Tammy also qualified for the COL All-Star team.

Homecoming Weekend

RFA's 1977 Homecoming Weekend (October 20-24) was centered around the theme "Under the Big Top." The fun began Thursday with a car smash. A brilliant bonfire followed, and then the evening climaxed with a dance featuring Alecstar. Friday night, our Black Knights defeated Notre Dame's Jugglers 10-6. At half-time Sandy Moake was named Homecoming Queen. Kelly Recchio, Ozen Bicakci, Wanda Watson and Kathy McDonald were selected as her court. Keeping with the Weekend's theme, each of RFA's three classes designed its float as a circus animal. The senior class' pink elephant and friend won first prize. The juniors made a giraffe and the sophomores a seal. "You Light Up My Life" was chosen as the theme song for the semi-formal held in the decorated Boy's Gym. The Queen and her court were escorted by John DiBari, Tom Moore, Brian Biamonte, Tom Zmudosky, and Mark Bottini respectively. Daily Planet provided the music for this enjoyable evening. On Sunday afternoon a new RFA Homecoming event was started — a powder-puff football game. The senior girls claimed victory over the underclass girls. However, on Monday the spirit of the weekend was carried one day further with an old event. After 6th period class an RFA tradition was revived — a funeral march for the purpose of disposing the coffined dummy of our defeated rival into the Mohawk River.

The National Bellamy Award

Caroline Hayden was the representative of Rome Free Academy and the State of New York at the 36th National Bellamy Award Ceremonies presented to the State of West Virginia, at Princeton High School. The National Bellamy Award was founded in 1942 by Dr. Margarette Miller who confirmed that Francis Bellamy was author of the Pledge of Allegiance. The purpose of the award is to promote patriotism among America's youth.

As representative of New York at the National Ceremonies, Caroline spoke on "Extremism as a Means of Justifying Liberty." Caroline spent her time in Princeton, West Virginia attending and speaking at presentations, conferences and banquets, and toured much of the Southern portion of the state. Caroline marks a place in Bellamy Award history — for the first time in the history of the award, a state representative will return to the state which she attended as representative for the award ceremonies. Caroline will attend Concord College in Athens, West Virginia — 6 miles from Princeton.

American Field Service

This year's American Field Service Club (AFS) was quite active. In the beginning of the year members had many plans which they were fortunate to accomplish. They sent three students on the Domestic Exchange and one student on the Abroad Exchange during the summer, had a foreign student for the whole school year, sent and then received a domestic Exchange student for the Spring Semester, had a AFS weekend inviting exchange students in the area, had a short term exchange to Virginia, and sold lots of candy to fund their functions.

Sergio Guillen DeGuatamala

Sergio has had a most enjoyable stay in Rome with the Ray Plantz family. He chose a challenging schedule which included calculus, Adv. Physics, and Italian. He participated on a short term exchange to Scarsdale, N.Y., which he says he enjoyed very much. He has been active in the AFS club at RFA. He played varsity soccer and attended all the weekend events in the area. Sergio has found a place in many of our lives and will never be forgotten.

Jim May To Colombia

"I spent the summer of 1977 in Popayan, Colombia with the family of Ciro Lopez! My summer with the Lopez's will remain embedded in my mind for the rest of my life. While in Colombia, I did a lot of traveling through the Andes Mountains and the larger cities of Colombia, Bogota, and Cali. The high point of my summer was a trip to the Island of Mulatos in the Pacific Ocean.

The experiences I had, I feel, caused me to grow in many ways and opened my eyes to the world outside of the US."

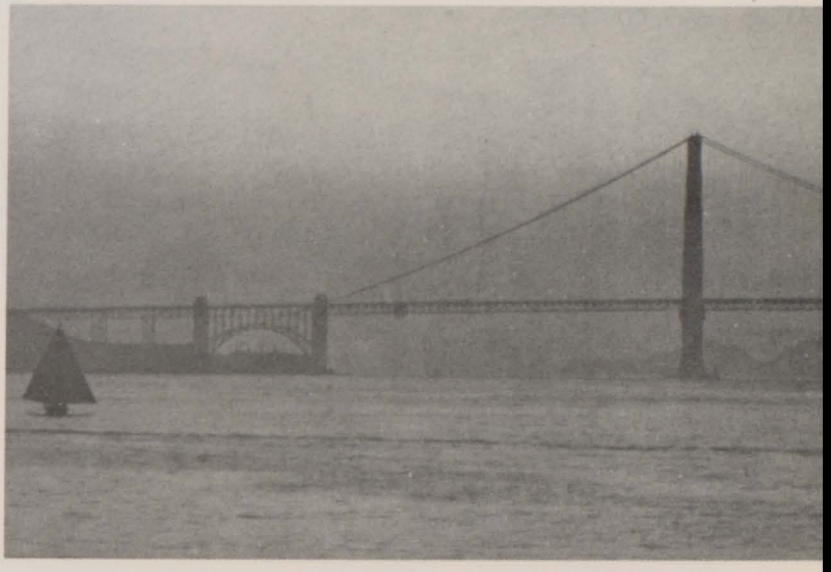
Service Exchange

Debbie Miller To Walnut Creek, California

AFS experiences are one of the best things that can possibly happen in someone's life including mine. I have made many new friends and relationships which will be life long through AFS.

My Hunsinger family in Walnut Creek, Calif. was great! It included of two sisters 17 and 19 and two brothers 24 and 26. They gave me grand tours of the San Franciscan area with its many bridges and interesting sites.

The best part of my summer was going to Malibu, N. Vancouver, Canada with a Young Life Christian group. We lived for 10 days in a deserted Hollywood resort area and with loads of excitement and fun. I really enjoyed my trip even with my week living on a Greyhound Bus. It had to be one of the best summers of my life.



Robin Dillabough To Duxbury Massachusetts

I spent my summer with the Teravainen family of Duxbury, Mass. (Duxberry is an upper-class, resort community located about 40 miles south of Boston!) The town was very quaint and full of historic relics. My AFS family numbered five: My parents, my 17-year old sister, Pam, a 12-year old brother, Paul, and Charles, who was 10. When I look back I remember a time that will always remain vivid to me as I learned more than one could ever expect of anything.

The National Honor Society of Rome Free Academy was comprised of sixty students. Then in March, about fifty more students were inducted into the group. In order to qualify, one has to achieve an average of 90% in his junior year or an 85% average in his senior year. Having a high average is not the only qualification. One also needs to have character, leadership, service and scholarship. "The Society looks upon education as a total product, measured by these four dimensions of life."

Mr. James Ruby was the advisor of the group. Officers of the group this year were: President, Raymond Pascucci; Vice-President, Michelle Granieri; Treasurer, Michael Dingley; and Secretary, Lauren Gleba.

This year the members of Honor Society went to Montreal, Canada. Their trip included tours of Radio CANADA, the 1976 Olympic Village and the Expo Fair Grounds.

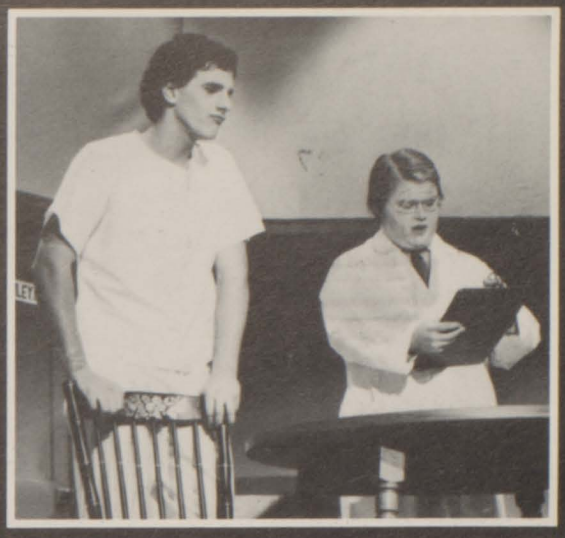
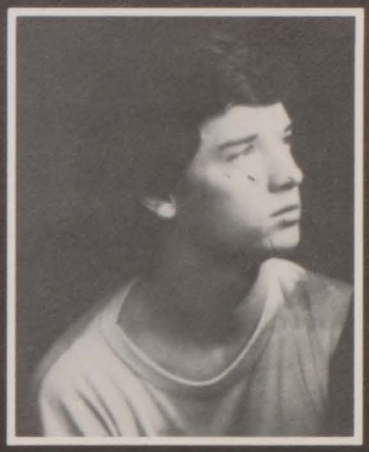
Other members, not present in the above pictures, were: Amy Bean, Gregory Beeman, Kathy Carrado, Dale Carter, Marc Dumas, Michelle Granieri, Tina Jones, Timothy Kerin, Carl Kesselman, Laurie Magnanti, Joseph Nigro, Paula Renfro, Debra Serino, and Stephen Vickers.





A candid shot of Harvey, himself, back stage.

HARVEY

As one of their fine contributions, the class of 78 presented the comedy, **Harvey** by Mary Chase. The play revolves around a certain Elwood P. Dowd (Thomas Moore) who believes his best friend is a magical rabbit over 6 feet tall, named Harvey. His aunt and niece plan to commit him to Chumley's Rest — after all Harvey has to be a figment of Elwood's imagination, right? Well, perhaps, but the people in the audience weren't so sure . . .

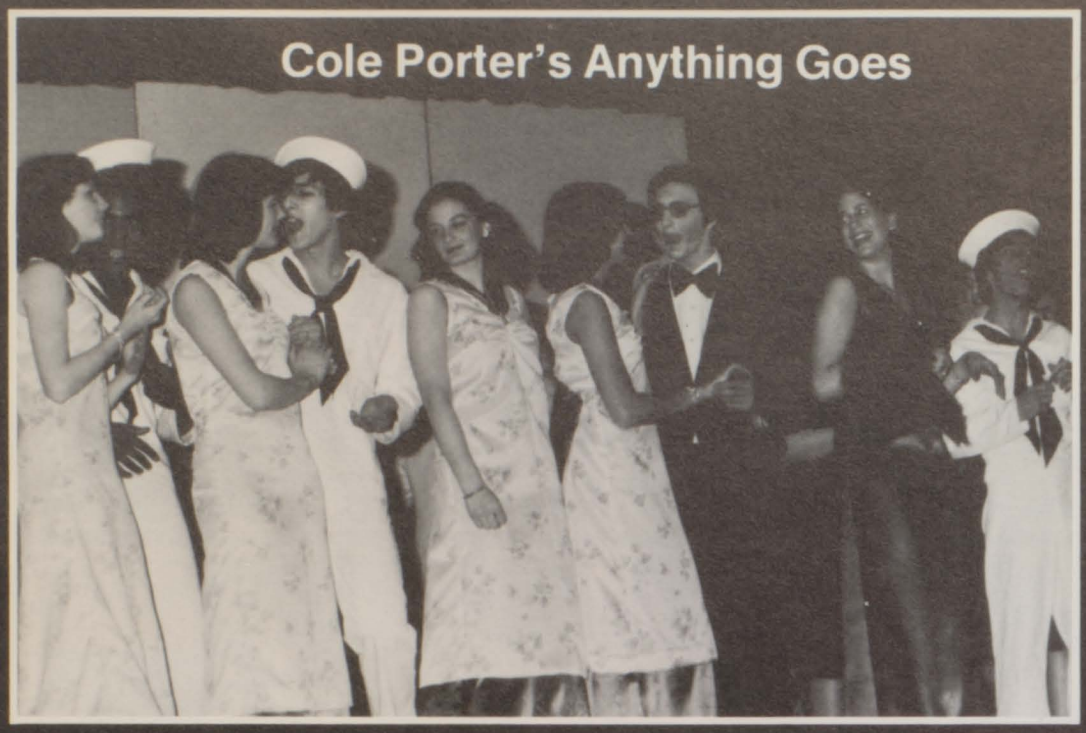
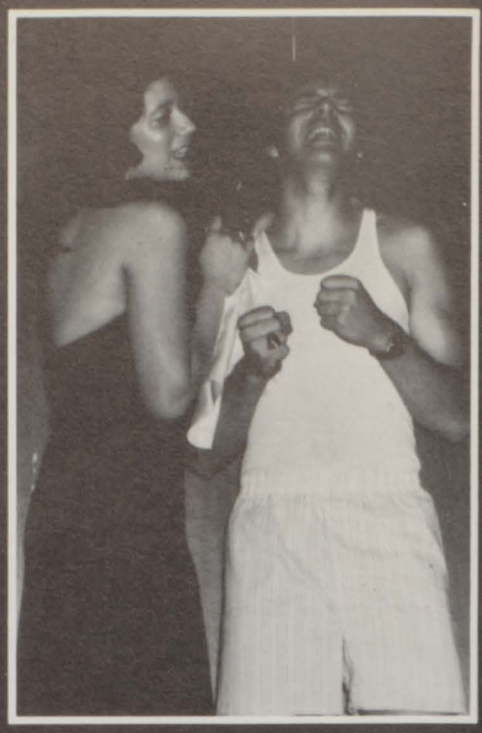
Cole Porter's Anything Goes





RFA's Third Annual Musical Production was Cole Porter's, "Anything Goes," a gay comedy-romance set in the 1930's. On May 12, 13, 14, 1977, the auditorium was filled by such famous songs as, "It's Delovely," "I get a Kick Out of You," "You're the Top," and its title song "Anything Goes." The production represents the efforts of the many individuals involved, and most importantly, proof of RFA's growing interest in Drama.

The new Media Center opened this year after a few long months of construction. Mrs. Beam and Mr. Galin were helped by many dedicated students. To sum it up, the Media Center was a success to both those who worked in the club and those who used its resources.

A trip to R.P.I. (Rensselaer Poytechnic Institute), also on the agenda, proved most fruitful. Plans for further excursions are bound to be forthcoming and their scientist Mr. Uvanni informs the club that the project to split the atom has been postponed.

As we entered our "half-way" year, we continued to show our high spirited and team effort feelings that we started off with last year. We opened the year with another fine class effort, our class float. In keeping with the theme, "Under the Big Top," the Juniors rode in with a brightly colored circus wagon, complete with a giraffe popping out. We put a lot of time and effort on our float this year, and it really showed. This started us off on the right foot. Our next big event was to put on the RFA Talent Show. "Cabaret RFA" was the name, giving it a nightclub atmosphere. We would like to thank Mr. Mickler for all his help in helping us put on a successful talent show. Then of course, our Junior Prom which we hope will be a great success. Other projects for the remainder of the year are still being planned. I would like to thank all the Students and Mr. Jacobowitz, our advisor, for all their help and support they gave the class of 1979 through out the year.

Yes, it looks like we made it. As we Seniors near the end of our high school days, each of us should look back and recollect the memories of the past years at RFA. It seems like only yesterday when we were sophomores trying to get started. Now we are seniors and just as enthusiastic as we were two years ago. With all the opportunities to become involved, we hope you took advantage and had a part, whether it was in class activities, club activities or sports. If you did the memories should be precious to you in the years to come. Even if involvement wasn't your objective, I hope you are just as proud to be a member of the class of 1978 as I am. Let's hope that our learning years at RFA have given us a headstart for the future. There are two special people we are grateful to, Mr. Dean Woodard and Mrs. Helen Arthur for their dedication and guidance to our class.

Stass

Through bad and good times, Student Association seems to always make it through. This year our student government was run differently. Instead of the five directors, it was comprised of the ordinary President, Vice-President, Secretary, and Treasurer. Homeroom representatives were elected and frequent meetings were held to discuss current projects and plans.

Student Association coordinated the big week-ends of the year such as, Homecoming and Winter Weekend. It officiated over clubs and organizations and planned events like the Todd Hobin Dance. There is a lot to be gained from STASS and we'll be hearing a lot from it in the coming years.

Officers this year were: President, Lori Frasca; Vice-President, Caroline Hayden; Secretary, Debbie Miller; and Treasurer, Ann Dollard.

STASS!

STASS —

Do you know what it is, or where it is, or for who is it for? STASS is an abbreviation for Student Association. It is at Rome Free Academy and it is for everyone in RFA. That includes you.

STASS tries to help the school in every way possible. It backs up clubs that may be financially in trouble, helps sponsor dances, Homecoming and Winter Weekends and other fun activities. It's RFA's student government and the place to voice your opinions.

STASS is a good thing to get involved in so that you are always on top of the scene of events. You will be able to form and participate in the events that you want planned. Make sure you get involved in STASS.

This year's officers were:
Lori Frasca — President
Caroline Hayden — Vice Pres.
Debbie Miller — Secretary
Ann Dollard — Treasurer

Although we will not be here next year, we hope Student Association achieves and aspires in many great things. It has the power to do much only if this power is executed. Good Luck to everyone in RFA next year and especially to the seniors who graduate in '78. May you all lead happy lives ahead of you!
